

Dump the Bucket

Nonsense Word Freebie

Created By Stephany Dillon, Primary Possibilities, © 2015

Teacher Directions!

This game is designed to be fun and easy to use! Cut, laminate and place the cards in a bucket. During small groups, students pull one of the cards. If they can read the nonsense word, they can keep the card. If they can't, they place the card back in the bucket. There are "Bucket Dump" cards included. If the students pull one of these cards, they have to dump all of their cards back in the bucket! This should be a fact paced game so you can practice as many nonsense words as possible!
